We provide a learning environment for all students that want to be prepared and ready for the next school year.Our summer program focuses on Reading,Math,Writing,Science,English and Social Studies. Each student has their own workbook and receives one on one attention.

We welcome all students AGES 5-12.We offer an excellent Before & After-School & SUMMER Program.

Our morning mission involves getting students excited about learning and jazzed up about school.

After-School students are allowed the opportunity to unwind from their busy day.We offer help with homework, enjoy snack time, daily themed activities with lots of prizes..And every Friday is "PARTY TIME @ KOOL KIDZ KLUB."

It is also important that I instill honesty, good manners and respect, while building their self-esteem and improving their grades.
 SO GIVE US A JINGLE @
