Do you like to draw but have never drawn a nude model and would like to? Or maybe you've thought about going to one of the many figure drawing co-ops to draw from the model but thought you would feel intimidated surrounded by artists. Maybe drawing a naked person just sounds like fun to you. I am a very experienced professional figure model (male) and will pose nude for you to draw or paint. I'll pose for just you, you and a friend, or you can get a group together and split the.
