Watch Me Sculpt is a thriving elementary after-school care program seeking teachers, elementary ed college majors, art teachers, or retired teachers to teach once/week after-school sculpting classes to kids in grades K-5. Students learn how much fun art can be as they make a different, fun sculpture each week. There are 5 sessions per school year, 6 classes per sessions = 30 total classes per school year. Classes are once/week and lasts for an hour. Teachers will work with the WMS Indiana regional director to ensure they are well-trained, properly credentialed for their assigned school, and have all materials and lesson plans before stepping foot into the assigned elementary school. Feel free to visit our website ([www.watchmesculpt.org](http://www.watchmesculpt.org)) and contact us with interest or any further questions.!!.
