Location **Illinois**
<https://www.genclassifieds.com/x-505724-z>

Have you been diagnosed with type 2 diabetes by your physician, and are you at least 18 years old and living in the United States??

Do you want to contribute to research that may help others cope with type 2 diabetes?

Researchers at Carnegie Mellon University are conducting a study, and they want to hear from YOU!

Please take our completely anonymous online survey. It can be completed online on your home computer, laptop, tablet, or mobile phone. It takes from 30-45 minutes (or less, in some cases), and your donation of time* may help scientists and health care workers understand the relation between psychosocial factors and health.

*As a token of our appreciation, four (4) participants will be selected randomly out of all who complete the survey to be awarded \$50. This drawing will take place after the completion of data collection.

PLEASE PASS THIS OPPORTUNITY TO ANYBODY WHO HAS BEEN DIAGNOSED WITH TYPE 2 DIABETES, OR TO ANYONE WHO MAY KNOW SOMEBODY WITH TYPE 2 DIABETES. THANK YOU!
