V.F.W. Post 2539 will be starting a Farmer's Market on Saturday mornings from 8:00 - noon beginning July 18th and extending thru the Fall growing season. We have a covered pavilion as well as a shaded grassy area to display your product. We welcome local, seasonal produce, dairy, eggs, meats, and prepared foods that are produced and/or grown in the area by small farmers and producers practicing sustainable agricultural methods. Artisans who make soaps, lotions, candles, and other natural products are welcome as well. Advanced reservations are required. Please contact Tammy Madison, Post Quartermaster and Public Affairs for space rental information and a registration.
