AKC lab pups. Chocolate and Black. MALES ONLY. (I know, its odd but she only delivered 8 big boys!) Sire is a phenomenal duck dog, dam is our protector and is highly driven to retrieve with no formal training. Pups will come utd on vaccinations and worming. They have had their dew claws removed by a vet and are being raised in my home with my children. They will be socialized, introduced to water, feathers, and loud noises. Pups were born 6/4/15 and will be ready between 6 and 8 weeks. Deposits are \$200 with the remaining balance of \$400 due at pick up. Pups have top notch champion lines and are super easy to train. We have several personal and professional references. Please contact us for more information regarding our babies.
