This jacket is 100% genuine leather shell in great shape with Superman logo on left breast plate and on the back yellow red and blue stripe down sleeves with a badge saying it's a bird it's a plane it's Superman. This is a Warner Bros Superman leather Jacket probably worth a lot more than I'm asking to the right person. Listed on other sites will remove if sells on any. Thanks and I hope this is what you are looking for. Willing to take trade offers never know what I'll take you might be surprised of course trade value a little bit.
