This is a rare ES extra special model loaded to the max. It has remote both side doors and rear hatch, electric sunroof/ luggage racks, seats, factory DVD player with headphones, special stereo system. Climate control just to many options to mention, leather seats, captain seats in rear, rear heat and air separate controls. This van is extremely nice just put new struts, tires and front end alignment month ago. Has one engine fault abs, brakes are fine never had a problem. You can take her anywhere recent oil change. I want 4500.00 cash for it nothing less, so text me at

to make arrangements to come see it. Will not waste my time answering questions come look for yourself. Thanks John everything works on this.
