## Iphone 4s 8gb (150 USD)

Location **Missouri** https://www.genclassifieds.com/x-505872-z

This was my old phone and has been sitting in my drawer for about a year now and I am in need of the money so I am deciding to sell it. Phone is in near mint condition. No cracks and everything works perfect! No this is not a brick and no it's not iCloud locked. This was my phone and always was my phone. No problems at all. Was in outer box the whole time I owned it. Thanks for looking! Have any questions, just let me know. Have a good(:
