I am looking to rent 2-3 Sea Doos or Jet Skis for this 4th of July. I will be staying at the Palace Casino and using the watercraft in the back bay right behind the Palace. The palace has a boat launch onsite for easy launching.

I am a mature 60 year old, responsible, safe operator. I have been an responsible owner of personal watercraft for over 40 years. My PWCs are in the shop and will not be ready before the 4th.

I am also interested in renting a pontoon boat for the day.
