

EXPERIENCED ELECTRICIAN ALL JOBS (River Grove)

Location **Illinois**
<https://www.genclassifieds.com/x-505935-z>

I'm an out of work union electrician, experienced in residential, commercial and industrial work. You can get union quality at a price you can afford. There are many electrician's on here, telling you how many years they have been working, with no mention on how they got their expertise.

I served a 5 year, 10,000 hour apprenticeship, just to become a journeyman, which I have been for 16+ years. So the choice is yours. Small jobs to large, just trying to feed my.
