

EXTREMELY loving indoor cat

Location **Maine**
<https://www.genclassifieds.com/x-505947-z>

I have a 7 year old indoor female cat named Baby. She is a lighter kind of calico so instead of orange and black she is grey and tan. She is a wonderful loving, clean cat. As a family we truly just dont have the time she deserves and we are looking for a nice, friendly, clean home with someone to love her unconditionally. She is awesome with children of any age doesnt hiss or try scratching people at all! She would also be great with an elder her purr is vetry therapeutic. She loves lots of attention and comes to you when you call her name. She is up to date on all shots from Searsport Vet and has been fixed. I have flea treatment, cat food, litter, food bowls and a dome enclosed cat box to send along with her. Again, looking for an immediate clean home for her to go to! Pictures!
