GenClassificate.com Gamo MTS 1000 moving target system for BB and pellet guns (100 USD)

Location Maryland https://www.genclassifieds.com/x-505979-z

This is a great little system to give that adult or child a target for practicing. 3 targets move along the 6 foot track and if knocked down will reset. Works on batteries so it can be used in the yard or camping etc. This is brand new without box. I put it together to test and to take
