I am in need of rides back in forth to work starting this Wednesday. I live in south city and work in Clayton. It takes me about 15-20 mins to get there. Would only be for a couple weeks. On Wednesday and Thursday I have to be there at 545 and get off at 2. On Friday I have to be there at 11 and get off at 2. On Saturday and Sunday I have to be there at 9 and get off at 2. Please give me a daily rate as I am a waitress and get paid daily. Must be reliable. Thank
