

New start up looking for help

Location Missouri https://www.genclassifieds.com/x-506036-z

Looking for people to help me start my new company. Looking for anyone with sewing experience. Also im looking for anyone with some sort of mechanical experience. Mechanical experience don't mean cars, just good with your hands. Also looking for someone that can provide general labor. Im looking for as many people as i can find for the provided amount im will to pay a day. So pretty much everybody hired if you are willing to work for the.
