Bigfoot Horror Film Small Female Roles (saint Iouis)

Location **Missouri** https://www.genclassifieds.com/x-506042-z

A variety of smaller, female roles are still available for an indie horror film called "The Beast of Calvary Creek."

We're seeking females of all types. Please be at least 18 years of age. And if you have a Facebook account, it will be beneficial as we have a group on there designated for the film, because it's much easier to keep everyone up-to-date in one location. This is a great project for those who appreciate 80's style indie horror films.

And if you're interested in a larger, more prominent speaking role, there is one available. Please note, this particular character is the oversexed nympho character, which may include some nudity and simulated sex scenes. Proper compensation will be made for this.
