I am selling my dog crate. I built it for our Newfoundland, but she does not need it now as she is house trained. It is 38"L x 28"W x 28"H. Pictures are of when I built it. Still nice just has a few scratches inside from use. This is a really nice sturdy crate. Looking to get \$200 OBO. You can call or text anytime between 9a.m. and 11p.
