Hi there! I am available as a nanny for your family! I am looking for a full time (or close to full time), long term position. I am CPR and First Aid certified. I have almost EIGHT YEARS of paid childcare experience. I have worked with children of all ages, including newborns through high school. I have worked in daycares, nurseries, as a nanny, babysitter, and tutor. Because of my experience in daycares and nurseries, I am very comfortable caring for multiple children. I can provide references as well as a resume. I also have a daughter of my own that I would love to bring with me. I have a safe, reliable, SUV that can fit multiple carseats for our daily adventures! I love outdoor activities (like going to the park, or going on walks), and arts and crafts projects, and reading! I don't mind doing light housework, or meal preparation. Pay is negotiable! I'd love to hear from you, and hope to meet you and your little one(s) soon!

Thanks so much,
