Lead is a toxic metal that was used for many years in paint and other products found in and around are homes. Lead may cause a range of health affects, from behavioral problems, learning disabilities, and seizures. Children six years and under are most at risk. Sebastian's Painting has been in business in the state of New Hampshire since 2009. We are fully insured. We are Firm EPA Lead Certified to work on any home, childcare facility, or school built before 1978 that contains Lead. (Federal Law passed April 22, 2010, requires that all contractors that disturb painted surfaces that contain Lead be EPA Lead Certified and that they follow Lead Safe Practices. Sebastian's Painting specializes in Exterior Lead-Based Paint Encapsulation. Sebastian's Painting is all about Customer Service and a Quality Finish. Call George anytime at
