We are sadly re-homing our 3 year old male american bulldog/boxer named Roarke. We are re-homing him due to upcoming overseas orders. He is neutered. He will come with his toys, crate, food stand, and anything else we have for him. There will be a small re-homing fee but our goal is to find him a forever home.

He is looking for someone that does not have small children. He is an inside dog and is housebroken. We would like his new home to have a fenced in yard if at all possible. He is full of personality and love! So if you think you could be his forever parents please contact.
