Old time choir nerd here looking for other vocalists to sing with. I just miss harmonizing in small groups... I know a good deal of 2 and 3 pt harmony songs to sing, and I have enough music theory background to write new ones. Do you write songs? Maybe I could write a harmony for you. We can also obtain sheet music and read from that, which is easy enough for me.

I don't have plans to be a performing group, unless you want to! I'm just looking for some people who wants to blend voices with me -- any age or gender - for the sheer joy of.
