I can provide the love and security your child wants and deserves. I am very responsible. Will work with you and your child to make sure your child is happy in their childcare situation. I will make learning fun .

Will teach basic preschool alphabet,numbers,colors,and shapes.Teach how to live life as a preschooler-how to do things for themselves and become independent.

Let me know the types of activities your child enjoys. I believe your child will find me fun to be around.

I am still friends with girls that live here in Raleigh that have known me since 1st grade. We have stayed in touch over the years and they really know me if you need a reference.
