Molly, affectionate adult silver tabby (Raleigh)

Location **North Carolina** https://www.genclassifieds.com/x-506168-z

Hi guys! My name is Molly. I am a quiet and shy but very loving girl. I was rescued by 2PawsUp and my foster mom and dad when I was about 2 years old. I was in the shelter with my 4, 2 week old kittens! I was trying so hard to be a good mommy to them and I am really glad we were rescued and got to go to our foster home. After my kittens were adopted, I was adopted by a very nice family but unfortunately, they had some problems and I had to come back to my foster home. It's ok because I love my foster mom and dad but I really want a forever home of my own.

I am ok with other kitties but I am kind of loner. I adore my people and love attention and am quite affectionate once I get used to things! I have a nice purr motor and will head butt your hand when I want pets. I love canned food, treats, and catnip toys. I just want to find a special family who will give,me the love and forever home that I so much deserve.

Adoption fee of \$90 (reduced since she was already spayed) includes microchip, vaccines, deworming, FIV/FeLV testing, and flea prevention
