I am already neutered, housetrained, up to date with shots, good with dogs, and good with cats.

## Rocky's Story...

Rocky is a sweet, eight year old, neutered male Labradoodle. Rocky is very playful and enjoys a good game of ball and is great at retrieving. Rocky is good with dogs, cats and older children. Rocky is house trained and walks well on a leash. Rocky knows some basic commands (hold until release command is given). Rocky is available for a meet and greet from 11am to 4pm!
