I have a 34' forest river Sierra camper for sale. It has 2 slide outs one is in the bunk area and the other is in the living room. This is by far the best layout for a camper we have seen. It comfortably sleeps 7. The only reason we are selling is that we are building a cabin up north. It comes with a \$1000 hitch set up. Asking \$14000 obo. The camper is located at greenwood acres in Jackson mi right now.
