Ask yourself what is the DJ worth to the success of your event? On the night of your event, experience will be all that matters. Please remember that when hiring a DJ, find one that fits your needs, as well as your guests and family. Hire a Wedding DJ for your wedding. Your event is personal to you and to me. The same goes for your Wedding Photographer. You do not want to hire based on price alone, when it come to your most important day! We treat every event as if it were our own daughters wedding reception.

I have entertained at hundreds of wedding receptions and other events. My professionalism, reliability, trustworthiness, attention to detail and my regard for a well-planned event, is what makes others refer to me as the best value in the area. I have worked in various atmospheres and believe that I can offer something unique for you.

Our equipment is made for commercial use and is of the highest quality for the best appearance and sound. I use various lighting effects to compliment your event and entertain your guests. We are continually looking for the newest equipment and methods to help entertain you and your guests. Ask about our package deal for a DJ and Photographer for 1 low price!

Thank you for taking time to check us out!
