Nice little kart has electric start complete restoration new belly pan, throttle assembly tune up, oil change, tubes, frame is satin black has a 2" lift the body is custom paint with clear coat. these kart bodies are rare so don't flame me on my asking plus I've got a lot of hours in, this is more of a collectors piece, not made to fit adult comfortably LOL \$1200 or trades: automatic car or honda 4x4 wheeler or something
