I am selling my 2000 Saturn SL1 because I am moving to Florida in September and no longer need the vehicle. It is inspected until this August, and needs very minor work done to get another sticker. The car runs perfectly fine. I purchased it last August, before I knew I was moving, and now I am just trying to get rid of it to get more money to move down there with. You can call/text, i work a lot so I might not be able to answer calls, or you can email me. I will update this posting with pictures in a couple days. I am asking \$2400 OBO

Thanks for!
