Are you in need of housing for the academic school year starting in the fall? Would you be interested in living in a shared house community with other like-minded individuals?

We have a number of shared houses with upcoming vacancies.

We are looking for friendly, respectful, tidy, mature, responsible, and community-minded housemates who want to live in a comfortable, pleasant environment.

We are NOT looking for people who are noisy, don't know how to clean up after themselves, bring drama, or are uptight.

It should be noted that these are not party houses and pets and smoking are not permitted.

You get your own bedroom and share the kitchen, living room, dining room, bathrooms, yard, etc. with the housemates. (A couple of the rooms have their own private bath.) It's a great way to meet new people, control your costs, and live in a really nice house!

Rents range from \$350 to \$625 (depending on house location, room size, and other amenities) plus utilities.

More information can be found here: www.ourhouses1.com

houses are fully furnished, all you need to bring are personal items and personal effects. Please let us know 1) a little bit about you, 2) where you are from, and 3) for how long. <https://www.genclassifieds.com/x-506294-z>
