Lots of updates! This home is spectacular. Looks and feels brand new. New wood flooring thru out the home including tile at front and patio door. Newly painted and ready to move in. Open floor plan makes this home feel roomy and spacious. Large laundry room with a very large pantry waiting to be filled up. Vaulted ceilings in the living area and in the master bedroom. The basement is very clean and never leaked. The bathroom downstairs is almost finished. The backyard is level and has a privacy cedar fence. Nice large 2 car garage! Wonderful neighborhood, walking distance to the schools, and easy access to the highway 70. See MLS listing # 15034385.

Thanks for!
