When will our representatives run the government like a business.

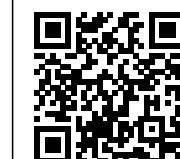

Live with in it's means, streamlined and efficient.

Our corrupt government can't find any emails when convenient, hard drives and evidence destroyed, sold automatic weapons to drug cartels that kidnap sex slaves and human/drug traffic across our border, supplied billions to Muslim Brotherhood, our enemy and a sponsor of Islamic terror world wide.

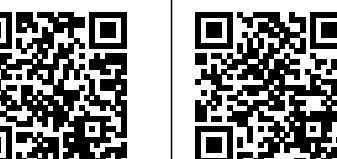

Be sure to vote for someone who will end this irresponsible behavior by our elected officials in Washington DC.
