If you are looking for a reliable personal driver, you've found him. I work for a local Limo company [Tijuana Trolley Company - CPCN 2162] and can handle your transportation needs 24/7.

I have access to Sedans, SUVs, Lincoln Stretch and Super Stretch Limousines, Stretch and Super Stretch SUVs, Vans, Party and Shuttle Buses, and many other vehicles of all different types to suit your individual and group needs.

I can pick you up on short notice, drop you off, wait for you, bring you back, or whatever is needed.

Golfers, I can take you to any one of the many local golf clubs around town and pick you up after your play.

Shoppers, I can take you to the outlet mall (North or South) and pick you up after you finish.

I can also custom make a private tour of the city for you and your group based upon your interests.

I can even get you VIP entry into many of the local Gentleman's Clubs, Night Clubs and Pool Parties, some of which offer Open Bar! What are you waiting for?

This is not a free service, but it may cost you less than taking taxicabs around town, and you can rest

assured you will almost certainly be happier with the comfort and quality of the ride. Also, if you need this service at a time when I'm not working, I already have another company that I have hired to provide professional drivers with a disposal who will take great care of you in my absence.
