Full bred Female Presa Canario, Tan and Black she is 18 months old, spayed, she likes children and likes to play with other dogs. She walks great on a leash. She does know basic obedience, she is potty trained. She is very affectionate and LOVES attention. re-homing fee \$200.00. She must go to a good home, one that is going to give her lots of love and attention, not one that she will be kept in a kennel for long hours. I don't think she would do to great with a home that has cats Please only serious.
