\*\*\*\*\*ISO of baby to adopt.\*\*\*\*\*

We have been trying to adopt for almost two years! If you are in a situation where you are thinking about adoption, or unable to keep your baby, we are a christian family looking to adopt and would love to adopt your baby! We are very interested in a open or closed adoption. We have been married for 3 years and both active in our church. I am a NICU RN and my husband is in sales. After 3 years of infertility we haven't been able to have children and know our family isn't complete! we have a 4 bedroom house and plenty of room for little ones to grow up! When we do get that special angel, I am planning on staying home to be a stay at home mom, and dedicated in raising our children.

Thanks so much for the opportunity to partner with you in giving a child the best chance at life!!  
please email me if you are interested and we can then discuss more. (please no spam)
