This bright and sunny studio unit is located in the main house at Water Crest, a seven and a half acre resort community bordering the nationally acclaimed Rachel Carson Wildlife Sanctuary. This spacious condo has a fully equipped kitchen, a full bath, and a new flat screen television. Two full beds with linens provided - sleeps up to four. Enjoy the outdoors through the slider door which leads to your private stand alone deck (provides full sun - no deck above yours!) overlooking the heated in-ground pool and hot tub. If you prefer cooking outdoors the propane grille is right below the deck in the open grass area. Parking is located in front of the unit and the laundry center is conveniently located on the first floor. The heated pool and new hot tub are directly across the driveway from this condo.

If you are looking for a week or just an extended stay this is your vacation condo. The Wells trolley stop is directly located in the front of this community for your convenience.

Please remember that this condo suite is Smoke.
