I am an experience childcare provider for 8 years, looking for individuals seeking childcare service. I am bilingual in Spanish and English. The age range of children are between 3 months old to 6 years young.

I do not plan on taking the maximum amount of children I am allowed. I feel it is very important for kids to feel like they are a true part of our family and are receiving the personal attention they deserve. For this reason, I will only be accepting 2-3 kids at a time.

Time: I am able to work around your schedule.

Rate: \$35 per day. weekends \$45 per day.

If anything Please feel free to contact me with any questions or concerns.

Thank You
