Hi! My name is Patchee and I'm a tall lanky boy with BIG feet! I am about a year and a half and weigh about 70 lbs. Volunteers at the shelter I came from describe me as '5 STARS...sweet, soft and snuggly'...yup, that's me. I am now crate-trained and walk nicely on a leash. My perfect day would be to wake up, run outside to do my business, as I do in my foster home, come in, have a snack while you have your coffee and then go play outside or go for a walk. I'm very easy. BTW, no kitties for me! TOO much fun to chase! I would be a great fit for any family situation where kids are in the 10+ range...I'm such a big galoot I will knock a small child over! I am already neutered and up-to-date on my shots. Won't you consider me? Watch my video as I explore the yard!
