Are you looking for a new member or two to add to the family? Our foster kittens are looking for forever homes! They are up to date on shots and will be getting spayed and neutered when they weigh two pounds. After that, you'll be able to take them home. The adoption fee is \$75 per kitten. These babies are extremely loving and will sleep on your lap and purr as long as you'll let them. As soon as they get off they'll run around and play with each other. They would be best suited for a family with a playful cat or two already, or in pairs. Contact me with any!
