1994 coachman Clipper Pop up trailer. Excellent condition, everything works. Roof top AC unit ! (I know that's not "camping" but definitely a "nice to have"). 14' close, 21' open, 2000lb. Typical pop up design with two pull outs on the ends, fridge, roof power fan, sink, day tank, heater. Nice "living room" set up for gatherings/rainy days. Awning, deep cycle battery, duel propane tanks.

Ready to go, needs nothing
