I have a exterior paint job to do and I am looking for a neat, experienced, cell phone addiction free painter to help me out. It is a 1-2 week gig and pay's \$12-15.00 per hour. If you can show up on time with your own transportation without hangover's and beer/narcotic's, needles, guns etc. in the car and put in an honest days work email me. Bring your own brushes, paint pot and scraper.

If not and you think you are going to get one over on me, don't waste your breath or gas money. You won't be paid for the bull shit time you show up with.

You all know what I'm talking about.

If you can do the work email me. If not, stay away because I don't want you. If you don't know what I'm talking about stay away too!

Have a nice!
