Looking for old, worn out, well used and unwanted soccer balls.

Here's a quick run down of what I'm trying to find. Contact me if you think you have one or more of these specific soccer balls I'm seeking.

Full molded..think standard rubber soccer ball.

Not made in China, Korea or Taiwan.

Made of synthetic rubber, yes, synthetic rubber. This synthetic rubber has many names but the most common ones are ...Premium rubber, polyvinyl, synthetic leather.

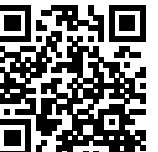

Old...1970s, early 1980s

Game used, worn out (does not need to retain air).

Size 5

Check out images above, if you think you have one or more of these old soccer balls...send me a photo

w/ reply and I will get back with you..
