

Davidoff Cool Water 1.7 oz EDT (15 USD)

Location **New Jersey**

I'm trimming down my collection of perfumes, so I'm selling my 2/3s full bottle of Davidoff Cool Water 1.7 oz perfume (eau de toilette).

Fragrance notes: citrus, pineapple, and woody notes, blended with the scent of ocean air.

It sells for retail \$52, but can be routinely found for approximately \$25 online new. I'm open to perfume trades, depending on the fragrance.

Local pick-up only.
