Hello I have a Ford F-150 Harley Davidson edition for sale. It's a great truck and I hate to let it go but with another car I have its already enough so I have to let it go. Truck runs great strong motor and transmission. I recently had a tune up done to it there's not one sound on that motor. It has it's couple scratches as normal for a car that's 15 years old. But with a nice polish done to it there shouldn't be a problem. There's only one problem which is that the front bumper that has a dent but you can easily get a nice bumper from the junk yard black is an easy color to find.I'm asking 7,200 Obo so when ever you want to come and check it let me know.

Thank
