I bought this ASUS RT-N66U Wireless Router N900 Gigabit Router brand new and used it for a few weeks to see if it was my router that needed upgrading. Turned out I needed to upgrade the wireless adapters in my desktops.
 I lost the receipt so I can't return it so I'm selling it on here.

Sells brand new nowadays for \$120.

Asking \$90. If you have any questions feel free to.
