Are you tired of the same \$50-\$100 bucks per gig? Maybe \$500 if you are lucky? Its time to change that. I work within the entertainment industry and its a very well known secret we all work with the same EXTREMELY attractive and secretive clients that no one knows about. One girl in particular is driving a porsche, living in a loft in NYC and pulls in an average of \$12K A MONTH!

Do you want this to be you? Im only going to work with two new girls. I will introduce you to the right people, bring you to the events, you do the rest!

When you respond put "Struggling" in the subject line and include two pics and what you have to offer for me to consider.
