Very energetic Pitbull mix to go to new forever home. She's about 1 1/2 years old and has an instinct for herding. Would like to see her go to a working home with lots of room to run, maybe a ranch. She needs more room to run then what we have. She loves people, is good with other dogs and cats. Uneasy around children. Spayed about 2 months ago. Beautiful little girl with distinct brindle markings. Kennel trained and does pretty well on a leash. Will go to APPROVED HOME ONLY! MUST PASS A MEET & GREET before we decide who she will go to. Email for more info. \$100.00 Re-homing fee non.
