We lost our camera on a trip to Yellowstone. The camera has the SD card that holds 1300 pictures from our MAKE A WISH trip to Rome with our daughter. We think it was left at the Powder River Rest Stop near Buffalo, WY but we last had it at Crazy Horse Monument in SD and realized we didn't have it in Sheridan. We are heartbroken!! It's a black or silver camera in a small, neon green neoprene case. PLEASE, PLEASE, PLEASE contact us if you have it, or if you know who found it, please have them contact us!!! Call or text Kevin at Thanks!!
