Join us at The Actors Theatre Workshop, an award-winning theater and community center with a 25-year history of innovative programming. We seek experienced grant writers to pursue program related funding, as well as funding for general operating expenses. Projects include development proposals, letter-writing, templates for future applications, and foundation research. We are interested in enthusiastic volunteers with leadership abilities, who can be part of a writing team. While a background in grant writing is preferred, we welcome all applicants with strong writing skills. Help us to acquire the means to serve the homeless children and other community members that come through our doors!

Become a member of The Actors Theatre Workshop and support us in our life-affirming mission. Go to <http://www.actors theatreworkshop.com> to find out more, and fill out an

online volunteer application for this opportunity!
