

Friendly cat needs new home. (elmont)

Location **New York**
<https://www.genclassifieds.com/x-506674-z>

I got this cat about 2 months ago. Fed well and he behaves really good I did not have any problems with him. He is probably not up to date with his shots.

My new girl is allergic to cats and seeing as she moved in recently, the cat is more of a burden to me now. I would love to find him a bigger home (I rent one room(

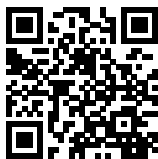

No fee. Just pick him up.
