## 6 cylinder rock climbing jeep engines

Location **North Carolina** https://www.genclassifieds.com/x-506690-z

JEEP SEASON IS OUR BEST SEASON!

This Jeep "Stroker Engine" will give new meaning to torque power!

No need for that V 8 conversion!

First we take a 4.0 and Stroke it to a 4.6 liter engine, then we add a custom camshaft, next we add a set of custom CNC Forged Pistons.

Check out the build sheet:

## \* Remanufactured Head
